PRAYER

Pray for Judy Unruh and Jean Gully as they deal with the health issues they are experiencing.

Pray for families that have lost loved ones recently.

Please **pray** for the seniors in our church family. Many of them are dealing with health issues. Often, those in long term care facilities feel isolated and discouraged. They are a blessing and encouragement to our church family. Let's thank God for them and commit to continued prayer on their behalf.

Pray for Awana, Youth, Young Adults, and various bible studies to help people grow in their knowledge and relationship with God.

Pray that marriages and families in our church and community would be strengthened by grace and be a wonderful testimony of Christ's love for His church.

Pray for believers around the world experiencing persecution for their faith in Jesus Christ as Savior. Pray for the Lord's strength and help for them and a continued boldness in sharing the good news that Jesus died to save sinners.

Pray for our community and city, that many would come to know Christ and experience His love and saving grace. Pray also that our church would be a welcoming and safe place where all can encounter God, grow in faith, and find genuine belonging.

Pray for those who represent us in government. Pray for their salvation and that they will make decisions that are good and right.

Whoever sows sparingly will also reap sparingly, and whoever sows bountifully will also reap bountifully. Each one must give as he has decided in his heart, not reluctantly or under compulsion, for God loves a cheerful giver.
